

Zookbinders®

Crafted to a Higher Standard

The lowdown on our high standards.

While we're known for our innovation, some things don't change at Zookbinders.

Like you, we apply the most rigorous standards of excellence to everything we do.

Zookbinders continues to be an industry leader in innovation with their PhotoBook and Reflectionz cover. Select from a number of album choices to display your beautiful photos of your landmark event with the confidence that Zookbinders will pay close attention to every detail. It's a combination that is pure Zookbinders — Crafted to a Higher Standard.

*More style. Greater efficiency.
Increased sales.*

Driven by your input, Zookbinders has been hard at work expanding your creative options and improving efficiency.

9x9 PhotoBook and 9x12 PhotoBook

The 9x9 is both style and budget-conscious and serves as a great primary album. Or, consider using the 9x12, a larger sized vertical PhotoBook. Templates are available to make your PhotoBook a guest/sign-in book for both sizes.

Metallic Paper for Zook Books

We now offer Metallic Paper for our award-winning Zook Book®.

Matted Album Reflectionz Covers

Expanding on the classic appeal of the Matted Album, you can now add a Reflectionz™ cover.

Free pen with every sign-in book order.

Zook Frames

Available in three finishes – black, silver and cherry – and three sizes, so your photos can be displayed on the wall or desk as the artworks they truly are.

Horizontal PhotoBooks and Zook Books

We've added a new dimension to PhotoBooks and Zook Books with horizontal formats that add even more to your customer offerings.

PhotoBook Cover Options

Now you have two design options: the wraparound version or a replica of a leather album cover in the PhotoBook style.

Product Highlights

Leading the industry.

Design it Once, Sell it Twice.
Complement your beautiful leather albums with replica PhotoBooks – they're perfect for parent albums and purse books.

12x12 Zook Book

7.5x7.5 and 4x4 Package of
Replica PhotoBooks

Downloadable templates ensure accuracy of cover design.

The highest quality lay-flat photo book in our industry. Perfect for sharing memories of special events, The PhotoBook by Zookbinders® comes in a variety of sizes with a down-to-earth price.

Two PhotoBook Cover Options.

- Design your own wraparound cover.
- Use one-click cloning to replicate the look of a leather album.

Add excitement with an eye-catching wraparound cover.

All PhotoBooks are printed
on state-of-the-art HP Indigo
digital presses.

12x8 Horizontal Zook Book

New horizontal sizes broaden your options.

Horizontal PhotoBooks are the perfect complement.

The Zook Book. When you want the big picture.

This award-winning all-panorama album is the ultimate in digital story-telling. Photos are mounted with a slight 1/16" gap in the center for a seamless presentation.

8x12 Zook Book

12x12 Zook Book with Reflectionz cover

8x12 Zook Book with 2.5x3.5V cameo

The album lies flat when the book is open.

All Zook Books have rounded corners and gilded edges.

PhotoBooks packages are perfect replicas right down to Reflectionz and Cameo Covers.

*The Matted Album Family
Always elegant. Always treasured.*

10x10 Matted Album

7.5 x 7.5 Replica PhotoBook

4 x 4 Replica PhotoBook

The standard in photo albums, the Matted Album by Zookbinders is both elegant and timeless. Photos are lacquered and hand-mounted into a matted frame. The pages have gilded edges and rounded corners, a hallmark of our handmade quality.

Explore ways to make it uniquely your own. Zookbinders' signature special-effect options take your albums to the next level with more than 300 page layouts! From back-to-back panoramas to Puzzle Pages®, pinwheels, and composites – there are scores of ways to make your album stand out. Add the final touch by personalizing the cover with the names and date of the special event or add a Reflectionz™ cover.

All photos are hand mounted to your specifications.

Matching leather slipcase

Designed to work together.

12x12 Zook Book, 7.5x7.5 and 4x4 PhotoBook Package, 10x20 and 5x10 frames

Let Zookbinders frame your client's favorite album page layout in a gorgeous 12x24 frame.

A Family of PhotoBooks
The 9x9 PhotoBook serves as a great primary album, while the smaller sizes – 7.5x7.5 and 4x4 – complement any album.

Albums, PhotoBooks, and Frames: a true product family.

12x12 Zook Book, (2) 6x6 PhotoBooks, 10x20 wall frame and 5x10 desk frame

Frame Service

Since most of our digital albums are square, we created a product line that allows us to frame your favorite full-page panorama layouts. All frames include the printing of the photos and complete assembly. Frames are delivered ready for display on their wall or desks.

5x10 Desk Frame

12x24 Wall Frame

Black

Cherry

Silver

Frame your favorite album page layout.

Frame your favorite image of your baby to hang at home and for your desk at work.

Metallic Paper

Photos with a glow from within.

The metallic appearance creates images with exceptional visual interest and depth which appeals to customers seeking a unique look. Printing on metallic paper delivers rich, vibrant color and flattering flesh tones you'll love. Metallic prints have a lacquered finish for added protection to resist fingerprints.

Reflectionz Covers

Make it shine.

Available for Zook Books and Matted Albums.

Create a striking full-cover image with a soft and supple Glove Black Leather spine and back.
